Dear Arifin

Kindly be informed that your article entitled **“Teacher Performance on Student Learning motivation in efforts to improve the quality of education at Mts Darul Hikmah, Sumedang”** has been reviewed the by our reviewer and we would like to clarify that based on the reviewer’s comment, there is **minor** corrections that has to be performed before being accepted by our journal. The comments are as follows:

1. The research gap must be clearly justified
2. The study of “teachers’ performance” needs to be further clarified.
3. Explanation on students’ learning and why Mts Darul Hikmah has been chosen as your case study needs to be justified.
4. Recommendation or new knowledge to the academic world should be clearly stated.

Please perform the correction and we will send to you the Letter of Acceptance (LOA) once the correction has being made by your good-self. We look forward for your fast feedback and action regarding this matter.

Best regards

Dear Ina Helena

Kindly be informed that your article entitled **“Teacher Performance on Student Learning motivation in efforts to improve the quality of education at Mts Darul Hikmah, Sumedang”** has been reviewed again by our reviewer and we would like to clarify that based on the reviewer’s comment, there is another **minor** corrections that has to be performed before being accepted by our journal. The comments are as follows:

1. The Clarification on Teachers’ performance. The reviewer wants the author to specify in which area of teachers’ performance that this research is focussing on. What kind of impact **or outcome** to measure the effect to the students?
2. Justification of quality of education, how it is related to the students and the policy made by the Indonesian Government.
3. Recommendation or new knowledge to the academic world should be clearly stated.

Please perform the correction and we will send to you the Letter of Acceptance (LOA) once the correction has being made by your good-self. We look forward for your fast feedback and action regarding this matter.

Best regards
