I'm interested in publishing in your journal on the topic: Development and validation of instrument for measuring competency of secondary school principals in Akwa ibom state, provided I am assured that the journal has a high impact factor and is also indexed in scopus. Thanks so much.

SCImago Team

Dear Dr Joy, thank you very much for your comment. We suggest you consult the Scopus database directly. Keep in mind that the SJR is a static image (the update is made one time per year) of a database (Scopus) which is changing every day.

The Scopus' update list can also be consulted here:
